

Show Our Love Stage Performance

You, your family and your friends are cordially invited to join us in a *Show Our Love* Stage Performance to be held at 7:00pm Saturday, May 31 in Cary.

Organized by the local Chinese and Chinese American community in the Triangle, the event will provide a loving ground for our community to gather to mourn the loss of hundreds of thousands of people killed in the devastating May 12 quake in southwestern China. Local art groups, Chinese schools, and other local organizations will come to show their love for the fallen souls in the quake, express their admiration for the survivors who bravely fought the odds, and give their cheers to the tens of thousands of rescue workers still working tirelessly in all disaster areas to save life and comfort the survivors.

The event, with a 2-hour stage show of songs and music, is free and open to the public.
